BATIGNOLLES

— METZ RÉPUBLIQUE —

MENU

In «Batignolles», it's beautiful, good and not expensive.

Popular and authentic restaurants, Les Bouillons serve simple and affordable dishes prepared with care in a bistro atmosphere.

Ancestors of the Parisian brasserie born in the 1900s focused on the good with the sweet addition.

The Batignolles district-village Renowned district of the 17th arrondissement is a small haven of peace with a traditional village-like population.

This district of PARIS is known for its quirky boutiques and picturesque brasseries, as well as for the English-style gardens of the Square des Batignolles.

The bohemian streets that surround the Place de Clichy are lined with trendy bars
